**WHAT:** METALCON 2016, the metal construction industry's largest international event for metal construction products, technologies and solutions, returns to Baltimore for its 26<sup>th</sup> annual tradeshow and conference.

**WHO:** Designers, builders, developers, contractors, fabricators and suppliers from more than 50 countries attend this event each year. Industry experts from 275 leading companies exhibit the latest products and technology, while sharing their knowledge with attendees. Industry specialists present key topics in the show's highly-rated, education program.

**WHEN:** METALCON 2016 is scheduled for Wednesday, Oct. 26 – Friday, Oct. 28, 2016.

**WHERE:** This 3-day event takes place at the Baltimore Convention Center, 1 W. Pratt St., Baltimore, MD 21201.

**About METALCON**

Established in 1991, METALCON is the largest international event in the metal construction industry. Unique in both its service and show management to this vibrant industry, METALCON is the only annual tradeshow and conference devoted entirely to the application of metal in industrial, institutional, light commercial and residential projects. Its success is based on three key methods of education: exhibits, an extensive conference program and interactive, learning zones. METALCON is produced by PSMJ Resources, Inc., and sponsored by The Metal Construction Association. This is the event's second time in Baltimore. For more information, visit [www.metalcon.com](http://www.metalcon.com) or call [800-537-7765](tel:800-537-7765).
