

OCTOBER 6-8, 2021
TAMPA CONVENTION CENTER

FOR IMMEDIATE RELEASE

METALCON Gives Back to the Local Community *Feeding Tampa Bay*

(Newton, Mass., – Sept. 28, 2021) — The metal construction industry’s only global event dedicated exclusively to the application of metal in design and construction, gives back to the local community during its annual tradeshow and conference taking place Wednesday, Oct. 6–Friday, Oct. 8 at the Tampa Convention Center.

For this year’s giving back program, [METALCON](#) has partnered with [Feeding Tampa Bay](#), part of the national Feeding America network, providing food to 1 million families in the 10-county area of West Central Florida. The money raised at the show will help drive the food bank’s strong daily response and further the organization’s outreach.

Each year, METALCON gives back to the local community where the event takes place. At the last show, METALCON partnered with the [Veterans Leadership Program of Western Pennsylvania](#) to raise money for essential housing, employment, and vital support services for eligible Pittsburgh-area veterans, service members and their families to improve their self-sufficiency, sustainability and quality of life.

Contributions to [Feeding Tampa Bay](#) can be made before, during and after the show online at www.metalcon.com. To contribute during the show, stop by **The Deck**, located inside the exhibit hall at the southeast corner by the METALCON sales office, where members of show management will be available to meet supporters.

Following all fundraising efforts, a special check presentation ceremony with the organization’s development officer, Jason Prado and METALCON show management, will take place on Thursday, Oct. 7 at 4.00 p.m. in the convention center.

“A year and a half into the pandemic, so many of our neighbors are facing hunger – many for the very first time,” said Feeding Tampa Bay’s Chief Development Officer, Kelley K. Sims. “Because of the generosity of so many people like your show’s audience, Feeding Tampa Bay and food banks across the country are making sure our neighbors impacted by the crisis have the food they need, providing hope to so many people.”

About METALCON

METALCON is the largest international event in the metal construction and design industry. Established in 1991, it’s the only annual tradeshow and conference devoted exclusively to the application of metal in design and construction. Contractors, architects, developers, owners, fabricators, manufacturers and suppliers from more than 50 countries attend each year. Industry experts from 200 leading companies exhibit the latest products, solutions and game-changing technologies, while sharing their knowledge with attendees. METALCON’s success is based on a dynamic exhibit hall, extensive educational programs and interactive learning opportunities. METALCON is produced by PSMJ Resources, Inc., and sponsored by the Metal Construction Association. For more information, visit www.metalcon.com or [register here](#).
